

Original PowerPoint Project

- Create a **BBT** folder in your U:\ drive.
- Save the PDF instructions to that BBT folder.
- Create a MS Word document called:
PPT Script about Computers
- Title: "**How to Decide which Computer to Buy**"
- The teacher will instruct you with possible material for this presentation.
- You will need 10-12 slides total

Original PowerPoint Project

- Go to <http://bbt.nbed.nb.ca> (from your link).
 - Please make sure all web links are copied to your new BBT folder.
- Go to:
 - **Grade 9**
 - **PowerPoint**
 - **Activity 1**
 - **Recreate a Show**
- Watch the presentation called:
 - **Are You Ready For A Puppy? (2:10)**

Original PowerPoint Project

- Go to:
 - **Grade 9**
 - **PowerPoint**
 - **Activity 1**
 - **Act 1 – Part A**
 - **Act 1 – Part B**
- Notice all the instructional videos for **recreating** each part of the Puppy presentation, including animation and graphics.

Original PowerPoint Project

- Now for the content of **our** presentation.
- So, how do we decide what computer to buy?
- We will limit ourselves to:
 - **laptops / notebooks** (*NOT netbooks*)
 - **desktop computers**

Original PowerPoint Project

- Topics to consider:
 - 1) Brand, Style, Model
 - 2) Chip / Processor
 - 3) RAM
 - 4) Hard Drive
 - 5) Operating System
 - (Which version of **Windows**?)
 - 6) CD / DVD (burner?)
 - 7) Network
 - 8) Monitor
 - 9) Other
 - 10) Price
