

# TIC TAC TOE ALTERNATE BOOK TALK

**WHAT:** This project is called a "Book Talk" and it requires you to read a book of your choice and then to talk to the rest of us about it for **2-5 minutes**. This book **cannot** be a book that you have already read or are halfway finished reading (i.e. It must be a new book that you have just begun reading).

Your presentation must include **the 4 items below PLUS the major assignment below**.

- Title** of your book (please have a copy of your book available to show us), author's name, and genre of your book (mystery, science fiction, fantasy, realistic fiction, etc.)
- Your reason** for choosing the book
- Plot summary** of what happened in the book (keep it brief and do **NOT** give the ending away).
- Your opinion** of the book - Let us know what you thought about your book. Did you like it? Why or why not? Remember, you do not have to love the book, so please be honest.

**WHEN:** We will have a limited number of classes to work on this project so use your time wisely. You may also find that you need to work on this project at home as well.

The book talks will begin **Thursday, June 2, 2011**.

Presentations will be in random order so you **MUST** be prepared on this day.

**WHY:** The purpose of this project is for you to share information about a book to your classmates. This will give you experience presenting information and stating your opinions in front of your peers.

*\*\*Please note: if you read more than one book, you can also answer the 4 items above (a-d). You may receive bonus marks of up to 4 bonus marks, depending on the quality of those items.*
