

CUBE FORM

= 5x5 inches (Draw 6)

= 1/2 inch (draw 14)

1. With a ruler and pencil, **LIGHTLY** draw the 6 squares as shown
2. Add the 1/2 inch flap on each outside edge (these will help in gluing the cube together)
3. **DO NOT** cut out the shape until all the squares are filled in
4. Clearly sign your name on the back side of the cube form
