

Final Project Video

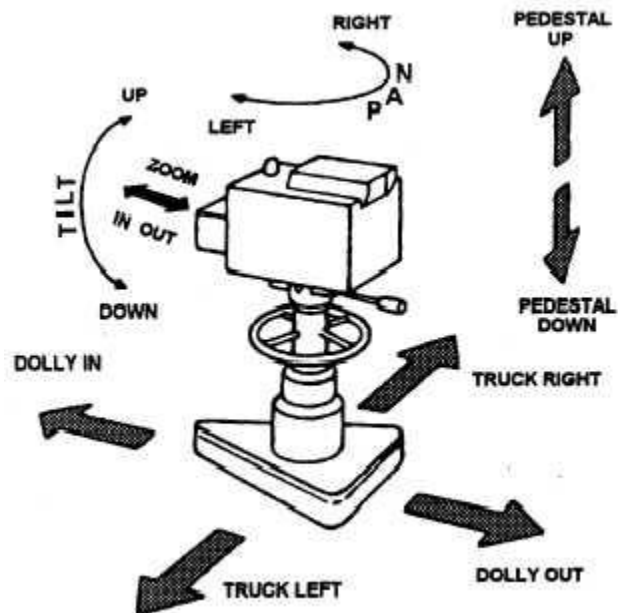

Due: January 22, 2016

- Choose your group and your topic from:
 - Your Message to the Universe
 - OR --
 - A Category from the Media Response Sheet
- Your topic needs to be well explained with multiple examples.
- Length: 3-10 minutes (not including titles and credits)
- Pre-Production: Summary, Script, Storyboard, Media Response Sheet (submitted before filming)
- Production: Must use at least 90 seconds of original filming including multiple shots and camera angles
- Post-Production: May incorporate video from other sources (with credit given) as long as it is used to explain/extend your topic. (Must have introductory segway, voiceover and/or explanation, not just dropped into your video for no apparent reason.)
- Submission: "Finish Your Video" by "Saving to Computer" and then it to the HandIn folder: S:\+Shared Data Files_Rich_HandIn_Media Studies 120 - Hand In\08 Final Project Videos
Submit paperwork by giving it to Mr. Rich.

Assessment:

- [10pts] Entire video is school appropriate, interesting and engaging
- [10pts] Between 3-10 minutes of video with full audio (including music and/or voiceover)
- [10pts] Best possible quality audio recording, including voices (may have an audio effect)
- [20pts] Quality of Storytelling and use of Video (shots, angles, zooms, etc.) to good effect
